About the Company

Founded in 1882, Matson (NYSE: MATX) is a leading provider of ocean transportation and logistics services. Matson provides a vital lifeline of ocean freight transportation services to the domestic non-contiguous economies of Hawaii, Alaska, and Guam, and to other island economies in Micronesia. Matson also operates a premium, expedited service from China to Long Beach, California and provides services to Okinawa, Japan and various islands in the South Pacific. The Company's fleet of owned and chartered vessels includes containerships, combination container and roll-on/roll-off ships and various types of barges. Matson Logistics, established in 1987, extends the geographic reach of Matson's ocean transportation network throughout the continental U.S. Its integrated, asset-light logistics services include rail intermodal services, long-haul and regional highway brokerage, warehousing and distribution services, consolidation and freight forwarding services, supply chain management services, and other services. Additional information about the Company is available at www.matson.com.
