About the Company

Founded in 1882, Matson (NYSE: MATX) is a leading provider of ocean transportation and logistics services. Matson provides a vital lifeline of ocean freight transportation services to the domestic non-contiguous economies of Hawaii, Alaska, and Guam, and to other island economies in Micronesia. Matson also operates premium, expedited services from China to Long Beach, California, which includes transshipment of cargo from other Asia origins, provides service to Okinawa, Japan and various islands in the South Pacific, and operates an international export service from Alaska to Asia. The Company's fleet of owned and chartered vessels includes containerships, combination container and roll-on/roll-off ships and barges. Matson Logistics, established in 1987, extends the geographic reach of Matson's transportation network throughout North America and Asia. Its integrated, asset-light logistics services include rail intermodal, highway brokerage, warehousing, freight consolidation, supply chain management, and freight forwarding to Alaska.
