Executive Compensation

2. We note that you benchmark against other companies. In the future, to the extent the compensation committee is benchmarking compensation against surveys and such benchmarking is a material consideration to the committee’s determination of compensation levels, please identify the component companies. Please confirm that you will comply with this comment in future filings.

In future filings, please describe in greater detail the degree to which the Compensation Committee considered the benchmark companies comparable to you and discuss where your actual payments fall relative to the information you reviewed. To the extent actual compensation was outside a targeted percentile range, please explain why. Refer to Item 402(b)(2)(xiv) of Regulation S-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and

- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.

If you have any questions regarding these comments, you may contact Lauren Nguyen at (202) 551-3642. If you need further assistance, you may contact me at (202) 551-3314.
